## YOUR PERSONAL FINANCIAL WEBSITE

## Here's How to Get Started

1. Once you've completed the self-registration process for your Personal Financial Website, you will receive a Website Registration Confirmation email.

2. Using your smart phone, access your email and click on the URL provided. Before logging on, add or save the link to your smart phone's Home Screen.

3. The first time you log on, enter the same Username and Password you use to access your full Personal Financial Website. After this initial logon, you'll be prompted to register your device and create a 4 digit PIN for easier access in the future.

passcode?				
You can set a passcode of <b>4 or more</b> digits for easy sign in from this device.
